Section A – Relevant to the entire policy

Relevant to the entire policy

It is only valid if **you** pay the premiums and is based on the information **you** gave **us** and confirmed to **us** during the application process or subsequently.

Your policy provides the cover for the period of insurance shown in **your Statement of Facts**.

You must read these terms and conditions together with **your Statement of Facts** and any specifications or endorsements as one contract. **You** must tell **us** immediately if at any time any of the information on which this insurance is based is incorrect or changes. The changes, if accepted by **us**, will apply from the date indicated on **your** updated **Statement of Facts**. In this case **we** will be entitled to vary the premium and terms for the rest of the period of insurance.

English Law will apply to the legal protection cover under section D of this policy. The rest of **your** policy is governed by the law that applies to where **you**

What is covered

Under legal protection cover **we** agree to provide cover for **you** or an **insured person** anywhere within the **territorial limits** unless stated otherwise in **your** policy or unless an exclusion applies as long as:

- the **date of occurrence** of the insured incident is during the **period of insurance** and within the **territorial limit**; and
- any legal proceedings will be dealt with by a court, or other body which **we** agree to, in the **territorial limit**; and

- the **insured person** claiming under this section of **your** policy has **your** agreement to make a claim.

For all insured incidents **we** will help in appealing or defending an appeal as long as **you** or an **insured person** advises **us** within the time limits allowed that **you** or they want **us** to appeal. Before **we** pay the **legal costs and expenses** for appeals, **we** must agree that it is always more likely than not that the appeal will be successful.

We will only pay the **legal costs and accountants' costs** charged by a **representative** appointed by **us**.

Employment disputes

We will negotiate for an **insured person's** legal rights in a dispute arising from their contract of employment for their work as an employee.

Contract disputes

We will negotiate for an **insured person's** legal rights in a contractual dispute arising from an agreement or an alleged agreement which an **insured person** has entered into

for the buying or hiring in of any goods or services; or

- the selling of any goods provided that the **insured person** has entered into the agreement or alleged agreement during the **period of insurance**; and
- the amount in dispute is more than £100.

We will negotiate **your** legal rights in a contractual dispute or for misrepresentation arising from an agreement or alleged agreement which **you** have entered into for the buying or selling of **your** principal home, provided that **you** have entered into the agreement or alleged agreement during the **period of insurance** and the amount in dispute is more than £100.

Property protection

We will negotiate for an **insured person's** legal rights in a civil action; and/or arrange mediation for a dispute relating to material property (including **your** principal home) which is owned by the **insured person** or for which the **insured person** is responsible, following:

- an event which causes or could cause physical damage to such material property, provided that the amount in dispute is more than £100; or

Personal Data

We will negotiate for an **insured person's** legal rights if they have lost money as a result of the way personal information about them has been stored or used by another person or organisation.

Specific legal protection conditions

These specific legal protection conditions, as well as the general policy conditions, apply to the legal protection cover of **your** policy.

Legal expenses cover is provided subject to the following:

You or an **insured person** must:

- keep to the terms and conditions of this section of **your** policy
- try to prevent anything happening that may cause a claim
- take reasonable steps to keep any amount **we** have to pay as low as possible
- send everything **we** ask for in writing
- give **us** full details in writing of any claim as soon as possible and give **us** any information **we** require.

We can take over and conduct in **your** or an **insured person's** name, any claim or legal proceedings at any time.

We can negotiate any claim on **your** or an **insured person's** behalf.

You or an **insured person** are free to choose a **representative** by sending **us** a suitably qualified person's name and address if:

- **we** agree to start court proceedings and it becomes necessary for a lawyer to represent **your** or an **insured person's** interests in those proceedings; or
- there is a conflict of interest.

We may choose not to accept **your** or an **insured person's** choice but only in exceptional circumstances. If there is a disagreement over the choice of **representative** in these circumstances **you** may choose another suitably qualified person.

In all circumstances, except those above, **we** are free to choose a **representative**.

A **representative** will be appointed by **us** to represent **you** or an **insured person** according to **our** standard terms of appointment. The **representative** must co-operate fully with **us** at all times.

We will have direct contact with the **representative**.

You must co-operate fully with **us** and the **representative** and must keep **us** up-to-date with the progress of the claim.

You must give the **representative** any instructions that **we** require.

You or an **insured person** must tell **us** if anyone offers to settle a claim. If **you** or the **insured person** does not accept a

reasonable offer to settle a claim, **we** may refuse to pay any further **costs and expenses**.

We may decide to pay **you** or an **insured person** the amount of damages that **you** or an **insured person** are claiming, or which is being claimed against **you** or an **insured person** instead of starting or continuing legal proceedings.

You or an **insured person** must tell the **representative** to have **costs and expenses** taxed, assessed or audited, if **we** ask for this.

You or an **insured person** must take every step to recover **costs and expenses** that **we** have to pay and must pay **us** any **legal costs** that are recovered.

If the **representative** refuses to continue acting for **you** or an **insured person** or if **you** or an **insured person** dismiss the **representative**, the cover **we** provide will end at once, unless **we** agree to appoint another **representative**.

If **you** or an **insured person** settle a claim or withdraw it without **our** agreement, or do not give suitable instructions to a **representative**, the cover **we** provide will end at once and **we** will be entitled to reclaim any **costs and expenses we** have paid.

If **we** and **you** or an **insured person** disagree about the choice of **representative**, or about the handling of a claim, **we** and **you** or an **insured person** can choose another suitably qualified person to decide the matter.

We and **you** or an **insured person** must both agree to the choice of this person in writing. Failing this, **we** will ask the president of a relevant national law society to choose a suitably qualified person. All costs of resolving the disagreement must be paid by the party whose argument is rejected.

We may at **our** discretion, require **you** or an **insured person** to obtain, at **your** expense, an opinion from a lawyer, accountant or other suitably qualified person chosen by **you** or an **insured person** and **us**, as to the merits of a claim or proceedings. If the chosen person's opinion indicates that it is more likely than not that **you** will recover damages (or obtain any other legal remedy to which **we** have agreed to) or make a successful defence, **we** will pay the cost of obtaining the opinion.

All Acts of Parliament mentioned in the policy include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as the case may be.
