

Financial Highlights (unaudited)

The information contained within this document is unaudited. This document should be read in conjunction with the Financial Report 2009 for the Zurich Financial Services Group. Comparatives are for the years ended December 31, 2008 unless otherwise stated. All amounts, unless otherwise specified, are shown in U.S. dollars and rounded to the nearest million with the consequence that the rounded amounts may not add to the rounded total in all cases. All ratios and variances are calculated using the underlying amount rather than the rounded amount. Certain comparatives including segment disclosures have been restated for changes in presentation and for reclassifications as set out in notes 1 and 30 of the audited consolidated financial statements to conform to the 2009 presentation. The reclassifications have no impact on previously reported business operating profit, net income or shareholders' equity.
